

## UK Palliative Trainees Research Collaborative

**Get Involved!**

**We are looking for  
trainees in your area!**

**Recognising the  
benefits of working  
together to get  
research done**

✓ *Research is easier when done together*

*We are a network of people passionate about exploring research ideas and solutions*

✓ *Research within a collaborative is more flexible*

*Tasks can be divided and involvement can vary depending on other training commitments*

✓ *Its great for your CV and curriculum competencies*

*Larger studies improve the likelihood of presentations and publications*

**Bringing together  
like minded  
trainees with  
differing levels of  
research  
experience**

**If you're interested in  
getting involved
