

St Michael's hospice

St Michael's Hospice, located in St Leonards on Sea, East Sussex, provides excellent holistic care and support for those throughout Hastings and Rother affected by a progressive life-limiting illness or bereavement.

Consultant in Palliative Medicine

Full or part time hours considered (not less than 7 sessions)

NHS New Consultant contract pay scale: £77,913 to £105,042 per annum depending on experience (pro rata if part time)

Based in a beautiful location overlooking the sea, St Michael's Hospice offers comprehensive palliative care through its recently refurbished 24 bedded in-patient unit, expanding community based team and new Wellbeing Programme of personalised outpatient support.

We are seeking a Consultant Doctor to contribute specialist expertise in palliative medicine to our multi-disciplinary team and to drive forward excellence in patient care, in line with best practice and research. Working primarily in the hospice in-patient unit and the community, you will play a key role in widening access to patients with conditions other than cancer and building collaborative partnerships with local colleagues in the NHS, care homes and other hospices to ensure the holistic palliative care needs of the population of Hastings and Rother are met in any setting.

The successful candidate will be a medically qualified graduate, who has completed an appropriate programme of higher professional training and has wide general training and experience in Palliative Medicine. Applicants to the post must hold, or be within six months of attaining, a CCT in the specialty.

If you are interested in developing your career in specialist palliative care, are inspired to play a senior pivotal role in improving end of life care in this locality and support the ambitious strategic direction of St Michael's Hospice then we would love to hear from you.

Employed by the Hospice your Terms & Conditions will be reflective of the NHS Consultant contract (2003) including the option to continue any existing NHS pension scheme membership. We also offer discounted gym membership, subsidised employee meals, supportive supervision and a proactive education department to support with development.

Closing date: 12 noon Friday 22 February

Interview date: To be confirmed
