New applications for membership

Apply to become a member of the APM

Applications should be made online at; apm@compleat-online.co.uk

All new applicants will be required to pay the appropriate annual fee; this is to be settled online at the point of registration. All fees are payable to the Association in Pounds Sterling (£) unless otherwise agreed.

The APM subscription year runs from 1 December to 30 November. You will be invited to renew your membership subscription on an annual basis.

The APM requires that members pay their renewal subscriptions by Direct Debit (DD). This keeps our overhead costs as low as possible. **All renewal fees will be collected on or around 1st December each year.** New applicants must complete a Direct Debit Bank Mandate and return it to the APM. A Direct Debit Mandate form can be obtained online at; <https://apmonline.org/wp-content/uploads/2017/11/DD-Mandate.pdf>

It is important that members provide the APM with an up to date email address as all membership communication is carried out electronically using email.

What to expect when you join

You will receive a confirmation email, a welcome letter and a receipt when you join. We will send you information about how to access the members' area of the APM website.

HMRC - Tax

Contacting your local tax office may save you money on your subscriptions as HMRC allows these to be deductible against income tax. Go to <https://www.gov.uk/expenses-benefits-subscriptions/overview> for more information.

Membership Renewal - Changes to Direct Debit Information

Any bank account changes must be notified to the APM in writing by 5th October prior to the next renewal collection date which will take place on or around 1st December each year. If a Direct Debit collection fails and a member has not notified the APM, it will be assumed that the membership is to be cancelled with immediate effect. If this has been an oversight and the membership is to be continued there will be a £15 administration charge to re-process the Direct Debit.

Please note: Any members who do not pay their renewal subscription by Direct Debit will incur an additional Administration Charge of £15. This is to cover the APM's administration costs and associated bank charges.

Once the membership fee has been collected it will be non-refundable.

Exception: The only exception is if the money has been collected by the APM in error: For example, the APM was notified in writing by 5th October that the direct debit had been cancelled or changed, or the member did not wish to renew. All written notifications should be sent by email to apm@compleat-online.co.uk

If the Direct Debit payment has been collected and the member did not notify the APM in writing that their status had changed, or that they wish to amend their membership type, the member may pay the difference by electronic bank transfer. The Direct Debit amount will be amended for future renewal collections. Any overpayments due to a status change that was not notified to the APM in writing by 5th October will be **non-refundable**.

All written notifications should be sent by email to apm@compleat-online.co.uk
