

## **Relocate to New Zealand**

- **Starship Child Health, Auckland**
- **Combine New Zealand's 'lifestyle experience' with working in a world-renowned tertiary hospital**
- **Permanent, part-time FTE**

We are Te Whatu Ora - Auckland. We are part of Te Whatu Ora - Health New Zealand, the overarching organisation for New Zealand's national health service. We provide health and disability services to more than half a million people living in central Auckland, regional services for Northland and greater Auckland, and specialist national services for the whole of New Zealand. Our main sites are Auckland City Hospital, Greenlane Clinical Centre and Starship Children's Hospital, located in central Auckland.

### **About the role**

Starship Children's Hospital, the leading tertiary hospital for child healthcare in Aotearoa (Auckland, New Zealand), has an exciting opportunity for an experienced Palliative Care Paediatrician. This is a unique opportunity to work with an experienced and professional Paediatrics team in a broad variety of practice within a tertiary children's hospital.

The Starship Palliative Care Service provides specialist paediatric palliative care to children with serious illness (life-limiting or life-threatening conditions) and their whānau across the Northern region (Te Toka Tumai, Counties Manukau, Waitemata, and Te Tai Tokerau). The Palliative Care Paediatrician is responsible for assessing, diagnosing, and managing children who are patients within the service.

### **About the team**

Based at Starship Hospital, Grafton, we are a friendly, hard-working and motivated service that provide expert assessments and interventions for children, adolescents and their family/whānau attending the Starship services. Our team consist of Senior Medical Officers, Nurse Specialists, a Psychotherapist, a Social Worker and Team Administration.
